BETWEEN OURSELVES

To my customer friends and all who receive this booklet: Greetings and Best Wishes for a Happy and Successful 1932.

It is with pleasure that I present this catalogue and I hope that you will enjoy looking it over.

My customers of past seasons are acquainted with the quality of my stock and from their letters, I know, that they are highly pleased with the results they have obtained. Their repeat orders for their season's needs, year after year, are my best testimonials. To prospective customers, I wish to say that your orders large or small, will be highly appreciated and that you will receive full satisfaction, in quality, service and every other way.

PRICES

To save space and useless repetition, the price of each variety is listed for each bulb. 12 bulbs sold at *ten times the price of one, six bulbs at the dozen rate, this also applies* to bulblets listed as single. Bulblets listed by the dozen or by ten may be ordered in smaller quantity but no bulblet item for less than ten cents. For example, 12 bbl. at 40, three may be ordered for ten cents. For wholesale quantities, write for direct quotations.

SIZES

L. Large bulbs, size $1\frac{1}{4}$ inches or more, will average $1\frac{1}{2}$ inches.

M. Medium size bulbs, size $\frac{3}{4}$ inch or more, will average 1 inch or more.

S. Small size bulbs, size $\frac{3}{8}$ inch to $\frac{3}{4}$ inch or two No. 6 for one small.

Large and medium size bulbs are guaranteed to bloom the first season, most all of the small size will bloom if planted early. Customers write me of the fine results they get from my bulblets.

For beginners who like to have a large number of bulbs for a nominal cost, I make up especially a select mixture of many of the varieties listed in this catalogue and others. I do not grow mixtures, the mixture is made up for each individual order.

100 large bulbs	\$2.50

VARIETIES NOT LISTED

This catalogue lists about half the varieties that I am growing, if you do not find what you want, advise me. I may be able to supply you at the best possible terms.

All stock offered, subject to prior sale or destruction beyond my control.

AMERICAN GLADIOLUS SOCIETY

You are cordially invited to become a member of the American Gladiolus Society. The fastest growing special flower society in the world.

The society publishes a monthly Review, a veritable gladiolus magazine, which keeps you posted on the latest developments of the Gladiolus.

The annual dues, including the monthly Review, are \$2.00. The Review alone, is worth the expense.

To each new member who sends me his \$2.00 for membership, I will send free one bulb of Isabella.

FROM THE MAIL BAG

London, Eng'and

Dear Mr. Pety: Now that I have finished planting the glads, I can find time to write for thanking you for the fine corms you sent me, also the extras you included, it was very generous of you. You will be pleased to know that your shipment was the cleanest from diseases that I received, including other lots from the U. S. A., Germany, Holland, Australia and France."

Pennsylvania.

"Bulbs arrived about a week ago in fine shape, thanks for the liberal extras. Very well satisfied with the bulbs you sent me last year and you will hear from me from year to year."

New Jersey.

"Your stock last year was very good and clean and somehow, I like to do business with you."

Kansas.

"The bulblets I got from you last spring grew fine most of them 100% and quite a few of them bloomed."

Michigan.

"I am writing to say that the bulbs I purchased from you did splendidly."

Long Island, New York

"Received my order today and I certainly was pleased not only with your exceptional count and valued extras but with the evident high quality and freedom from diseases of your stock. You may be assured that you will be on my list for an order next year and that's a lot more than most of twenty odd growers that I received bulbs from this year can say."

Massachusetts.

"Bulbs arrived O. K., thanks for your generous count and extras."

Kelmscott, Australia.

"Dear Mr. Pety: I so address you, not merely as Dear Sir, because the goods you sent me are so much above the catalogue value, you are treating as a friend rather than a customer. Be sure that I very much appreciate your kindness."

Melbourne, Australia.

"I thank you for your generous treatment as regard discount and extras, it is a decided encouragement to deal more extensively with you."

Rhode Island.

"All the bulbs I bought from you last year, came fine and all are true to name."
